

Driving test centres

(Motorcycle and moped tests are only available from test centres shown in bold print.

Centres which do not carry out extended tests have * next to them.)

Centres which carry out ADI tests are marked ADI.

Important information booking on line at www.dsa.gov.uk

- If after two weeks you have not received your appointment, please phone 0870 01 01 372 immediately. If you miss your appointment, you may lose your fee.
- If you need to re-arrange your test appointment, phone 0870 01 01 372 on or before the date you want to cancel or you may lose your fee. If you miss your appointment, you may lose your fee.
- If you are ill and cannot give the necessary notice to cancel your test appointment, please phone 0870 01 01 372 for more advice.
- We may need to contact you if your appointment has to be changed for any reason. Please phone 0870 01 01 372 immediately if you change your name or address (you should also tell the DVLA).

At your test, please show the examiner the following (without these your test may not take place and you may lose your fee).

- Valid signed UK or Northern Ireland driving licence.
- Photographic evidence of your identity (see below).
- Theory test pass certificate or confirmation (if this applies).
- Valid CBT certificate if you are taking a moped or motorcycle test.
- If you have a new-style photocard licence, you must bring both parts of the licence (photocard and paper counterpart) to the test.
- If your driving licence does not have your photograph on it, you will also need to bring an acceptable form of photographic identification (such as a passport) with you. Further details can be found on the website www.dsa.gov.uk.

- We will accept a booking for practical test appointments only if you have passed a theory test or are exempt (please see sheet DL26/I).
- You must wait at least 10 working days between appointments for the same category of test.
- You must provide a roadworthy vehicle which is taxed, insured, and suitable for the purpose of the test. You must display L plates (or D plates in Wales) which meet current regulations when driving a motor vehicle under a provisional licence (see information sheet DL26/I for full details); this does not apply to ADI tests.
- For ADI tests the car must be a saloon or hatchback/estate, capable of the normal performance of vehicles of its type and must have manual gear box and be right hand drive. As the car will be going onto a motorway or fast dual carriageway any roof signs should be removed (part II only).
- We will try to make sure that your test appointment goes ahead. If we cancel your test at short notice, we will post you a copy of our Service Standards - putting things right booklet, which includes details of complaints procedures. You can get a copy from any of our offices or test centres. We do not pay compensation if we cancel your test due to bad weather.
- You cannot take a test or get a full licence unless you normally live in this country (this means you must live here because of personal or occupational ties). However, if you have moved to the UK after recently permanently living in another member state of the European Union (EU) or European Economic Area (EEA), you must have been normally living in the UK for 185 days in the 12 months before you apply to take a test or apply for a full driving licence.

Post your applications to: Driving Standards Agency, PO Box 280, Newcastle-Upon-Tyne, NE99 1FP.
